IN RE: Request of Andy Demori, Assistant Principal for ) ORDER  
D.W. Daniel High School, 1819 Six Mile Highway, ) GRANTING  
Central, SC 29630, for Waiver of COCOT ) RELIEF  
COCOT Guidelines. )

This matter comes before the Public Service Commission (the Commission) of South Carolina on the request of Andy Demori, Assistant Principal of D.W. Daniel High School of Central, South Carolina. Demori writes to request our permission to limit the use of the public payphones at the high school to three (3) minutes per call. According to Demori, Daniel High School has two public payphones, one inside the School near the office and another outside of the gym building. The two phones are used exclusively by students during and after school. The reason that the school administration is making the request is to limit the amount of time a student can dominate the phone and allow more students the use of the phones. The Assistant Principal therefore ask for a time limitation per call of three (3) minutes.

We have examined this matter, and note that our past time limitation on any payphone has been four (4) minutes. We do not see any reason to deviate from this prior policy. We therefore grant a four (4) minute time limit for the pay telephones located on the campus of D.W. Daniel High School in Central, South Carolina.
